

CITY OF PITTSBURGH SPAY/NEUTER APPLICATION

Thank you for your interest in the City of Pittsburgh Spay/Neuter program. All eligible pet owners and/or feral colony cat caregivers must prove they are City residents by showing two bills with a valid city address, a driver's license (or equivalent form of identification with a valid city address) and up-to-date vaccination records. Dog owners must also provide a current City of Pittsburgh dog license. For feral cats, the cat colony must be located inside the City limits. Please see City of Pittsburgh's website for all the rules and regulations.

Advanced Documentation:

It is necessary for all eligible pet owners and/or caregivers to send in their documentation of City residency, valid City of Pittsburgh dog license and up to date vaccination records in order to approve your application.

Please attach the following:

- Two bills with a valid city address
Driver's license or equivalent form of identification with a valid city address
Vaccination records
Valid City of Pittsburgh dog license

Please rank your preference (1, 2, and 3) for which organization you would like to go to for services:

- Animal Friends 562 Camp Horne Road, Pittsburgh, PA 15237
Animal Rescue League of Western Pennsylvania 6620 Hamilton Avenue, Pittsburgh, PA 15206
Western Pennsylvania Humane Society 1101 Western Avenue, Pittsburgh, PA 15233

Applicant's Signature: _____ Date: _____

Mail this Application, along with the required documentation to:
City of Pittsburgh, Animal Care and Control, 3001 Railroad Street, Pittsburgh, PA 15201

Once approved by the City of Pittsburgh, Spay/ Neuter participating organizations will contact you to schedule your surgery (please do not contract them directly). We will do our best to meet your location preference and scheduling needs but surgery times are limited.
